CHAPTER 16
CORNER PERPETUATION AND FILING

55-1601. SHORT TITLE. This chapter may be cited as the "Corner Perpetuation and Filing Law."

[55-1601, added 1967, ch. 215, sec. 1, p. 647; am. 1993, ch. 206, sec. 1, p. 564.]

55-1602. DECLARATION OF POLICY. It is the purpose of this chapter to protect and perpetuate public land survey corners and information concerning the location of such corners by requiring the systematic establishment of monuments and filing of information concerning the marking of the location of such public land survey corners and to allow the systematic location of other property corners, thereby providing for property security and a coherent system of property location and identification; and thereby eliminating the repeated necessity for reestablishment and relocations of such corners once they are established and located.

[55-1602, added 1967, ch. 215, sec. 2, p. 647; am. 1993, ch. 206, sec. 2, p. 564.]

55-1603. DEFINITIONS. Except where the context indicates a different meaning, terms used in this chapter shall be defined as follows:

Accessories may be bearing trees, bearing objects, monuments, reference points, line trees, pits, mounds, charcoal-filled bottles, steel or wooden stakes, or other objects.

This excludes GLO-surveyed townsite lot corners, except those marking exterior angle points or block corners within the townsite.
